On April 10, 1967, one hundred mothers were honored at a banquet given by the Katz Klub. The purpose of this banquet was to help the mothers become familiar with the purposes of the club, besides letting the girls show their appreciation for the many hours of work the mothers have contributed to the organization. Some of the members presented a short skit to show the many accomplishments of the club. An award was presented to the outstanding member of each class. They were as follows: Senior, Wanda Dondlinger; Junior, Linda Peterson; Sophomore, Debbie Dondlinger; Freshman, Mary Maier. Both the mothers and the daughters enjoyed the evening and became better acquainted with the Katz Klub.

Daughters Honor Mothers With Banquet

Sports Banquet Recognizes Athletes

The annual Geneva High School All-sports banquet was held Tuesday night, May 16, at the school gymnasium with 225 sports fans and guests enjoying a fine dinner and program.

Two speakers were scheduled for the program, Pat Fischer, former Cornhusker football star, and John "Red" McManus, basketball coach at Creighton University. Mr. Fischer failed to appear for his talk so Red McManus was the main speaker.

The dinner was prepared by Geneva Congregational Women's Fellowship with the Katz Klub assisting as waitresses. Sponsors of the annual event were the Geneva Chamber of Commerce, Geneva Lions club, Geneva Booster club, and the Katz Klub.

Student Council members are chosen by their organizations to represent them in the council. The Student Council works for the entertainment of the students, and the improvement of the conditions in which they work. This year the Student Council sponsored Homecoming Dance, the Christmas Dance, and many sock hops. Improvements were made in the lounge area, with a snack bar added for the selling of candy. Officers for the following school year are elected during the spring by the members of the student body.

Journalism Initiates School Newspaper

Editor, Cherryl Best, sells Terry Wattles the first May issue of the "Cat's Meow."

In the first year of its existence, the "Cat's Meow" was considered to be an instant success. It was sold for five cents, once a month, with the entire student body turning over their nickel to the paper's staff. The "Cat's Meow" covered everything from Freshmen to Seniors, from sports to jokes, objectively, without attempting to ridicule or embarrass anyone.

GOOD INSURANCE is a wonderful thing and can be your best friend in time of need.

There are three ingredients in GOOD INSURANCE:

1. The strength and integrity of old-line stock companies.
2. The professional knowledge of the insurance agent which makes it possible for him to give you the best coverage for your premium dollar.
3. On-the-spot help and advice when you have a claim.
